Petition for Time extension for response to first office action.

I am petitioning for a time extension due to the untimely manner in which I received a copy of my first office action review. I moved in Feb. 04 to a new address and informed my previously assigned reviewer by phone, then submitted a change of address in writing. That correction was not made in your system and I had to phone for copy of correspondence from your office on or about March 15th, 05. Approximately 30 days after response was mailed to old address.

I have had trouble locating the proper form on your web site to file this action via website. It is May 18th, 05 and I do not understand how to properly move forward and do not want to be in violation of my time to respond. Please consider this written petition as notification of a request for extension to respond to first office action.

Sincerely,

Wade Miley
